# How It Works

## Part 1 — Getting started

1

Share your **referral link** with your friends.

2

Your friends **register** and complete the required process.

3

Once you complete **5 valid referrals**, you become eligible for the **5-referral reward**.

4

Once you complete **20 valid referrals**, you become eligible for the **20-referral reward**.

Growth starts with one referral.

# Verification & Trip Benefit Process

## Part 2 — Reward approval and benefit release

5

After completing **5** or **20** referrals, contact our support team and inform them that your referral target has been completed.

6

Our team will **verify** your referrals and **approve** your reward.

7

After successful verification, **40%** of the trip benefit amount will be credited to your account.

8

After completing your trip, you must share the total trip **spending details** with our team.

9

Once the spending details are verified, the remaining eligible trip balance will be credited **within 24 hours.**

**Verification ensures secure and fair rewards.**
